

Direct Components Requirement List Information & Instructions

Dear Valued Supplier,

We would like to offer the opportunity for you to be added to our daily requirement list. The daily requirement list consists of all active requirements from the day and provides you the first opportunity to quote.

As an approved vendor of Direct Components, Inc. we want to make sure that we have good communication with you so you know and understand what we expect from our approved vendors. Our company only deals in original manufactured parts, we do not buy substandard, counterfeit, remarked, blacktopped parts. We expect our approved vendors to only buy from sources that supply original manufactured. If you have any doubts that the parts you are quoting are not original manufactured parts and could possibly be substandard, counterfeit, remarked, blacktopped parts please do not quote it.

On time delivery is crucial in this business. The delivery time you quote should be the amount of days it will take for us to receive the parts. It usually take 2-3 days after you ship for us to receive so please factor this time into your quoted delivery time. Most parts we order are needed for immediate delivery. We expect you to do everything you can to get us the parts on our receiving dock ASAP.

This is the email you would receive daily at the end of our business day EST. (sample below)

Dear Supplier,

I am looking for a quote on part(s) you may be able to supply. Please click the blue part number link(s) below and quote us online. Please quote ASAP and include date code, lead time, ROHS status, and packaging. We only source parts for qualified OEM requirements, if you have the best price, lead time, and can get back to me fast we have a good chance of getting a PO today.

We accept New, unused, original parts only!

No remarked, refurbished, blacktopped parts will be accepted!

This is a screen shot of what the vendor portal looks like once you are granted access to submit offers online and have clicked on a part from the email we send you. You will first need to enter your username and password (Both are Cap sensitive). In the drop down menu select vendor.

A screenshot of the vendor portal login page. The page has a light gray background. At the top center, the text "Welcome" is displayed in a dark gray font, with "Login" centered below it. There are three input fields stacked vertically: "UserName", "Password", and "Vendor". The "Vendor" field is a dropdown menu with a small downward-pointing triangle icon on its right side, which is circled in red. Below the input fields is a blue rectangular button with the text "Login" in white. At the bottom center, there is a link that says "Forgot password?". At the very bottom, it says "Powered by SDS4 Distribution Copyright © 2015".

When you are logged in, on the top left hand corner please click on Active Reqs.

The screenshot shows the Direct Components Inc. dashboard. On the left is a navigation menu with 'Dashboard' and 'Active Reqs' (circled in red). The main content area includes a search bar, a 'Consignment Held' widget showing 0 items, an 'Orders' bar chart, and an 'Active RFQ' table.
